

LISTENING RESOURCE PACK

❖ What is it?

The Listening Resource Pack, one of four ELTIS Resource Packs, is designed to meet the needs of both MTs students and English teachers. It consists of listening materials with a focus on developing listening skills as well as on pronunciation: sounds, word stress and sentence stress. These worksheets can be used as supplementary materials in class.

❖ What is in the pack?

1. READY-TO-USE WORKSHEETS

- § 12 ready-to-use worksheets with 20 copies of each one – suitable for large classes
- § Reusable (laminated) worksheets – teachers do not have to photocopy the worksheets for each student
- § Each worksheet consists of fun and interesting activities suitable for the students' age and environment
